

Impact Report

2023

Our Purpose

Ishk Tolaram Foundation develops and supports programs that provide access to **quality education, healthcare, and skills training** to underserved individuals in Indonesia, Nigeria, and Singapore. As a philanthropic organisation, our purpose is to **enable individuals to improve their quality of life.**

Ishk Limb Centre provides free, custom-made prosthetic limbs to those in need across Nigeria.

From 2009 to 2023, we have impacted

21,465

lives

with

1,809

lives impacted in 2023

Of this,

18

lives were impacted with **EMBA 2022** support!

Recipients before and after getting fitted with prosthetic limbs at the Ishk Limb Centre, Lagos

18 recipients you supported
were fitted with prosthetics limbs in our **Lagos Clinic**
in **December 2023**

Rahman's Story

I am now able to go to the mosque, walk short distances, and sell some groceries in a small shop in front of my house. I can now make some money to provide for my family. I am now more independent and can do things on my own without the help of my wives or children.

Thank you, Ishk.

Thank you for enabling individuals like Rahman to improve their quality of life.

**On behalf of our team
and our recipients,
thank you!**
